

CALIFORNIA UNSORTED

UNSORTED WINES ARE BORN OF THE ELEMENTAL ENERGIES WITHIN OUR VINEYARD SOILS. A MIX OF TEXTURES INFLUENCE THE COMPLEXITY OF AROMAS, CONCENTRATION OF FLAVORS, AND COUNTERBALANCE OF TANNINS.

MORE THAN OUR WINERY NAME, IT'S OUR PHILOSOPHY TO CELEBRATE THE NATURAL ENERGY OF THE EARTH AND THE INHERENT BEAUTY OF IMPERFECTION.

An Unsorted character, reflective of its numerous influences. Hand-selected fruit, developed in cool, moderate and warmer climes, emerges in perfect balance and broad character with nuances of supportive, expansive terroir. Winemaking, where the energies of place and influences of time are encouraged to speak individual truths and still intermingle in classic and harmonious expressions.

WINEMAKER NOTES

Unsorted Sauvignon Blanc has aromas of citrus, pear, and stone fruit. On the palate, flavors of lemon and lime, with a hint of minerality. Acidity is bright, and a lean mid-palate and a medium-length finish. Our Sauvignon Blanc is aged in stainless steel, bringing out a pure varietal expression. This is a refreshing, delectable wine!
