

CALIFORNIA UNSORTED

UNSORTED WINES ARE BORN OF THE ELEMENTAL ENERGIES WITHIN OUR VINEYARD SOILS. A MIX OF TEXTURES INFLUENCE THE COMPLEXITY OF AROMAS, CONCENTRATION OF FLAVORS, AND COUNTERBALANCE OF TANNINS.

MORE THAN OUR WINERY NAME, IT'S OUR PHILOSOPHY TO CELEBRATE THE NATURAL ENERGY OF THE EARTH AND THE INHERENT BEAUTY OF IMPERFECTION.

An Unsorted character, reflective of its numerous influences. Hand-selected fruit, developed in cool, moderate and warmer climes, emerges in perfect balance and broad character with nuances of supportive, expansive terroir. Winemaking, where the energies of place and influences of time are encouraged to speak individual truths and still intermingle in classic and harmonious expressions.

WINEMAKER NOTES

Our Pinot Noir provides notes of sage, mint and spice, but is driven by red fruit, primarily raspberry, cranberry and wild strawberry. This was a strong year, with warm temperatures throughout the summer and a very gradual decline in cooler conditions. With sourcing from across the state, we were able to create what we believe is a truly enjoyable example of one of the world's most popular varietals.
